**IMPORTANT PLEASE NOTE:**

Due to newly imposed Tariffs, Duties & Diminimis removal, Harper's fabric prices are being increased dramatically. As a result, we are forced to call all Harpers Temp out until we know exactly what Tariffs, etc. will be. Ones not listed are still on our shelves at this time or already temp out. If you would like to purchase from Harpers yourself, please contact us for their contact information. If this is impacting your business as much as ours, please contact your Congressman.
