OUT MEMO #2966

July 12, 2025

**Out of Line** Please remove the OUT FABRIC swatch cards from your line.

**BOOK OR SWATCH**

**REMINDER:**

We are clearing out the TEMP OUT list, the queue on this program of backorders has grown to become an unmanageable state. When we re-engage with the mills for these items, we will then assess which numbers become active again, |  
by way of re-activating them, or creating new product codes.

All fabrics from the Erba Gold Book and swatches listed below are out. If you have backorders, please advise if you will sub.

We hate to have come to this decision, but it is the cleanest path for the time being.

Thank you for your understanding, do stay tuned, as we turn the corner into Fall...
